275/K4 700A

AUTOMATIC HYDRAULIC ANTI-TERRORISM BOLLARD WITH BUILT-IN PUMP

The PILOMAT 275/K4 700A automatic bollards have been designed to ensure the anti-terrorist defence. Current models are the result of our 40 years'experience in the security field and in excess of 20 years in the specific design and manufacture of automatic bollards.

The 275/K4 700A bollard is recommended for use in any security sensitive site like company driveways, industrial driveways, research centres, embassies, police facilities, military bases, etc..

The 275/K4 700A is available with a large number of optional accessories that allow you to customize your system according to your security needs.
